Notice about Brilliantcrypto Token (BRIL)

The company announces that the following decision has been made about the Brilliantcrypto Token (BRIL) by the board of directors.

Notes

Details	In consideration of the current market circulation & in-game distribution volume of BRIL, with the objective to be a further stimulant to the BRIL token's economics, The minting of BRIL tokens intended for distribution in-game, which were planned to be minted as necessary, is to be suspended, and the token distribution volume will be regulated.
